

San Miguel Basin Christian Fellowship (SMBCF)

SMBCF is a fellowship of the followers of the Lord Jesus Christ. We believe in the God of the Bible and we believe Jesus Christ is His only begotten Son. We believe the Bible, in its original inspired form, is the inerrant Word of God. SMBCF is normally referred to simply as the Redvale Church.

We believe in the power of God to answer prayer and practice prayer for one another, for our communities, our families, our country and people around the world.

We are an eclectic assembly of believers from various denominational backgrounds and Christians who have not been affiliated with any. We are truly a community church. Consequently, our congregation may have differences of opinion about some variations of church doctrine, but we are united in our belief that we are saved by the free gift of the blood of Jesus Christ through the grace of God Almighty.

We strive to welcome all who come to worship with us regardless of our differences and to love others as we have been loved.

REDVALE CHURCH PASTOR PROFILE

We are seeking a pastor dedicated to Jesus for Jesus' own sake. He will be energetic and have no denominational inclinations, seeking to include all who seek God. He will speak straightforwardly about God and the Christian belief system without hesitation.

This will be a full-time life position; meaning we are seeking a permanent resident in the pulpit that loves this area and its people like we do. While we prefer a full-time pastor, considering the size of our fellowship, we will consider a person who is willing to fulfill the essential functions of the ministry position part-time in addition to having another job or job duties in the community. Critical functions, responsibilities, and service schedule expectations would have to be negotiated.

Our pastor will be interested in fostering a love of Christ in children and will make the church the center of his work, making himself available to all congregants and others that need help in their Christian quest. He will foster relationships with other area churches and keep the congregants well-schooled in the Bible.
